Whether you've been married for a month, a year, 10 or even 20 years - now is the time to preserve the videos and pictures from that special day on DVD.

Makes a Great Anniversary Surprise!

Unfortunately, videotape quality starts to fade away in as little as 10 years. Pictures and film do not fare much better. DVD technology allows you to preserve those cherished memories, as well as combine video and still photographs into one convenient package.

- Up to 2 hours of Video transferred to DVD
- 5-Minute Picture Slide-Show of up to 50 Photographs
- Choose from selection of On-Screen Menus, Disc Labels, and Case Designs
- Choice of Music Scores for Menu and Slide-Show, or Provide Your Own

Options:

- Combining Multiple Videotapes on one DVD, add \$10 each
- Additional 5-Minute/50 Picture Slide-Show, \$65 each
- Multiple DVD Copies, \$10 each
- 8mm & 16mm Films can also be converted to DVD
- Completely Customized DVD Projects...
